Dear Client,

This Day

Welcome and thanks for choosing the Mann Associates HSE online/e-service.  
We are 100% Nigerian and pleased to offer you the best quality services in HSE, available globally, today.

Our HSE e-service is discreet in nature and beneficial to companies, contractors, overworked safety and non-safety professionals, providing top drawer expertise and professional safety solutions, expedited cheaply without any attendant strain or the need for remedial work.

***It is your prerogative to disclose your identity.***

Mann Associates is structured along the Shamrock business model with Harriman Isa Oyofa holding dual responsibilities as both Chairman and Team leader. Our sole, core competence and practice is Safety in all ramifications from cradle to grave.

Our HSE professionals are Gulf of Guinea and North Sea veterans with pioneering and premium expertise in HSE, impressive qualifications and extensive global experience.  
We bring to the table, extensive business and socio-political connections and contacts.

For our company profile, please visit our website, [www.mannsafety.com](http://www.mannsafety.com) / [www.mannassociatenigeria.com](http://www.mannassociatenigeria.com) or email us using the contact details on this page.

All Quick and E-services are rendered and delivered to the client, electronically, unless otherwise requested by the client.

While thanking you for your anticipated patronage, please avail yourself of our attached guidelines:

We welcome your questions and suggestions. Please use the contact details provided below. (08:00-17:00)

Thanks,  
Una Harriman ([mannassociates@yahoo.com](mailto:mannassociates@yahoo.com) or [una.harriman@mannsafety.com](mailto:una.harriman@mannsafety.com) +2348073118801)  
Gm, Mann Associates

General Office Nos: 07098722170 / 08073118800

- \* Mandatory fields. Please attach comprehensive details on separate sheet if space inadequate
- ? Guidelines:  
Section 6 Enquiry: Advisory on scope of online HSE services Mann offers.  
Payment of the enquiry fee to Mann does not constitute a commitment or legal obligation to carry out the requested service detailed in Section 7.  
All fees and rates are 100% prepaid, non-refundable and subject to change without notice.

Consultancy/Work Description: Upon completion of enquiry process, all technical and service clarifications for scope of work, you will receive a quote (which may be negotiable) for the requested service. 100% pre-payment of fees, delivery date and mutually agreed terms and conditions may then form the basis of a contract.

Range of Standard Services offered:

See Section 7 above
